

Principal Investigator's Agreement for Access to HPC resources

between Leibniz-Rechenzentrum der Bayerischen Akademie der Wissenschaften,
85748 Garching and

Name of Principal Investigator	
Institution/Institute	

hereinafter referred to as "PI".

I am fully aware that scientific results gained through the use of supercomputers may be liable to European export control regulations.

Therefore, I hereby guarantee that I will not use any resources made available to me in an abusive manner, in particular not for research with regards to the following topics:

- ABC- (atomic, biological, chemical) weapons
- Missiles and unmanned aerial vehicles
- General reference to weapons, ammunition or armor goods
- Construction or operation of nuclear facilities
- Special goods for the surveillance of communication
- Goods which may be used for the execution of the death penalty, torture and any other cruel, inhumane or humiliating treatment

I will not export any confidential knowledge or technology, which are subject to export control, in any form (documents, personal communication, presentation, email, internet, cloud computing . . .).

The constitutionally protected freedom of generally accessible scientific basic research and teaching is not affected.

Scientific basic research is experimental or theoretical work to acquire new knowledge about general principles of phenomena or facts, which are not primarily aimed at a specific practical goal or a specific practical use. (Federal Department of Economic Affairs and Export Control (BAFA) [Info Sheet about Export Control in Science and Research](#))

In case a project member is a citizen of a country under an arms embargo, I affirm that the results of the project research are not associated with military use as described in Article 4 (1) of the Regulation of the European Parliament and of the Council (EU) 2021/821 and its amendments available under the following link:

<https://eur-lex.europa.eu/legal-content/EN/TXT/HTML/?uri=CELEX:32021R0821&from=EN#d1e63-25-1>

Details to applicable export control regulations are available at:

- <https://www.bafa.de/DE/Aussenwirtschaft/Ausfuhrkontrolle/Rechtsgrundlagen/rechtsgrundlagen.html>
- <https://www.bafa.de/DE/Aussenwirtschaft/Ausfuhrkontrolle/Embargos/embargos.html>

I affirm that I will not violate existing embargo regulations with the results of my project.

I will notify Leibniz-Rechenzentrum der Bayerischen Akademie der Wissenschaften about any relevant change of the current research topic.
